Tiptree based and established in 2006, *Make Thyme For Paws* offer a friendly and pampered service for your pet or pets.

Outdoor rabbits, and small pets are housed in the boarding summer house or if preferred indoors in individual hutches/cages. *Make Thyme For Paws* asks that if boarding small pets they remain in their own cage.

Depending on the British weather, daily exercise is given in outdoor runs, with toys, wooden arch and an area to hide away. Please be reassured that a pet is never left unattended.

Fresh hay, vegetables, herbs, and forage (organic produced used), are given daily, as well as a daily clean, if need-be. Dishes and water bottles can be provided, however, if you would prefer, you can bring along these items, please clearly mark these with your pet's name. If your pet uses a litter tray, please also bring this along. Ice pods in the summer and heat pods during the winter are provided.

Due to a pet's delicate digestive system and if on a special diet to bring along sufficient quantities of their special diet for the duration of their stay. A sudden change in diet may lead to your pet experiencing an upset tummy.

Should your pet be taken ill, *Make Thyme For Paws* will try to contact you or your emergency contact; if you have signed and given authorisation to contact your

veterinary surgery *Make Thyme For Paws* will contact these on your behalf, of course with prior contact with you or your emergency contact. ANY VETERINARY COSTS INCURRED WILL BE PAYABLE BY THE OWNER.

Additional Information

Since starting *Make Thyme For Paws*, I have gained the following qualifications: holistic animal healing, animal assisted therapy; animal behaviourist and pet psychology. If you feel you and your pet could benefit from any of these, or interested in further information, please do ask.
